It is a misconception that Muslims are spreading Terrorism , when in all reality , the Governments are killing innocent's and they are the true Terrorists. Islam is a religion of peace and it teaches the most peaceful ways of living. Allah is most beloved to His creatures in this world. The most beloved prophet Hazrat Muhammad (S.A.W.) was the most loving & honest person which world has ever seen. So , How can His followers be Terrorists. An insurrectionist who kills a noncombatent is a guilty to islam, any kind of violence is a capital offence in the islamic laws so surely one can say , that any one who is responsible for killing of innocent people is not a muslim , and has denied to the words of Quran which say: "He who kills a man is responsible for killing all mankind" We Are: Albania Attacker/Black Worm/Dr.T3rr0r/Virus Noir/Dr.AFN[D]ENA/Sys
